**Extramural Funding** (2003-04)

(Research awards) \$249 million

**Annual Economic Impact on Orange County**

\$3 billion

**Acreage**

Campus	1,475
UCI Medical Center	46

## Accolades

- ◆ In its annual publication “America’s Best Colleges,” *U.S. News & World Report* ranks UC Irvine among the top 12 public universities in the nation.
- ◆ UCI is one of 62 universities in the United States and Canada elected to membership in the prestigious Association of American Universities.
- ◆ Three UCI researchers have won Nobel Prizes: F. Sherwood Rowland and Irwin Rose in chemistry, and Frederick Reines in physics.
- ◆ Orange County’s only university hospital and Level I trauma center, UCI Medical Center is ranked among the nation’s 50 best hospitals by *U.S. News & World Report* for its specialty care in geriatrics and gynecology. It also was named among the 100 Top Hospitals® by Solucient, a leading source of health care business information.
- ◆ UCI’s Graduate School of Management is ranked among the nation’s top business schools by *U.S. News & World Report*, *BusinessWeek* and the *Financial Times*.
- ◆ The Chao Family Comprehensive Cancer Center at UCI Medical Center is the only Orange County facility to earn the National Cancer Institute’s prestigious “comprehensive” designation.
- ◆ *U.S. News & World Report* ranks UCI’s creative writing program – producer of such noted authors as Michael Chabon, Alice Sebold and Richard Ford – 6th nationally.
- ◆ UCI teams have earned 21 national titles in eight sports, and more than 60 individual Anteaters have won national titles; more than 30 have competed in the Olympics.

## Did you know?

- ◆ UCI ranks among the top U.S. universities – public and private – in the number of undergraduate applications and, for fall 2004, the campus admitted the most academically competitive freshman class in its history.
- ◆ UCI’s Donald Bren School of Information and Computer Sciences is the first in the UC system and among the fastest-growing programs of its kind in the nation.
- ◆ UCI’s 85,000 graduates include leaders in the arts, sciences, business, education – all walks of life. Among them are three Pulitzer Prize winners and the architect of the “HTTP/1.1” Internet protocol used worldwide.
- ◆ UCI offers 69 undergraduate degree programs, as well as 45 master’s, an M.D., two Ed.D. and 40 Ph.D. programs.
- ◆ UCI academic preparation programs touch the lives of tens of thousands of K-12 students in California each year, and many serve as national models.
- ◆ Internationally acclaimed artist Maya Lin, known for designing the Vietnam Veterans Memorial and other major environmental art installations, is creating a new outdoor plaza for UCI’s Claire Trevor School of the Arts.
- ◆ University Extension enrolls more than 25,000 students annually, offering continuing education and certificate programs that support business, civic and personal growth.
- ◆ The UCI Libraries are the region’s largest information resource, with more than half of their 2 million-plus annual visitors coming from outside the campus community.
